So we're  
finally  
doing it,  
huh...  
Astra....!!

For  
the sake of  
my way of  
life you've  
oppressed!!

I'm  
gonna  
settle  
this...

Kyuss  
....!

IT'S MY LIFE  
DAY17  
Vengeance Is Mine

What?

did  
something  
unaccept-  
able.

Just  
now,  
you...

I thought  
there would be  
no way that  
the kind of life  
you chose would  
intrude on mine  
since I had  
nothing to do  
with you.  
but...

*I have  
no intention  
of forgiving  
that!*

*You  
trampled on  
the heart of  
my beloved  
friend!!*

If you can't  
realize that,  
I will show  
you the right  
way with my  
own hands.

Kyuss,  
you've  
lost your  
way!

As  
they say,  
**"This is  
the 100th  
year we  
meet  
here!"**.

That's  
just  
perfect.

Doesn't  
that just  
mean we'll  
fight  
here!?

Hmph,  
cease  
your dull  
words.

**I'm  
gonna crush  
that helmet  
and tear  
that whiny  
face of  
yours!!**

What!?  
Now you've  
chickened  
out!?

...Kyuss...

I see.

You certainly seem to have gotten a lot stronger than when we competed during practice back then.

However ...

Large swords aren't suited for you.

You still cannot defeat me.

うん

However, those advantages are ruined by a large sword that's ill-suited for you.

I think a smaller one-handed sword would fit you better.

Why aren't you engaging well?

And what the hell, you've only been incessantly and pretentiously comparing the two of us!

I don't need your help!

I want  
you to  
realize  
your  
wrongs.

My  
goal isn't  
to fight  
you and  
win.

I'm pretty  
sure I told  
you in the  
beginning.

I don't care  
if you hate me...  
But, I don't want to  
quarrel with you,  
my friend!

What did you  
think would  
come of getting  
personally  
involved in the  
affairs of  
someone you  
hate...?

Why are  
you... so  
attached  
to me?

Always,  
always...  
I...!!

How could you  
understand  
the feelings  
of a loser...  
The pain of  
never being  
able to catch  
up with you!!

"Friend"?  
What a joke!  
You're only  
spitting out  
such words  
because  
you're the  
winner!!

I hated  
you for  
getting  
ahead  
of me!!

However,  
there was  
something you  
were superior  
to me at, you  
know?

Wha  
...!

...I'm  
sorry,  
but I'm the  
one who is  
better with  
using a  
sword.  
Right  
now, you  
cannot  
surpass  
me.

When  
will you  
realize  
!?

Why did  
you throw  
it away?

*You...  
trampled on  
your own  
heart at the  
same time  
...!*

When you  
tore and  
scattered  
that girl's  
drawing...

that  
I'll never  
understand!

...You're  
spouting  
nonsense

!!!

Naïve.

...Looks like that's victory.

You still don't get it?

...Why...  
Why can't I win...

*You've only tried to catch up with me.*

That's because you've never tried to surpass me...

Stop living on comparing yourself to people already.

as if...  
as if  
you...

A...  
as...

Astra-  
samaaa...!!

...Your  
life...

as if you'd  
ever under-  
staaaaaand  
...!!

Wha  
-

Ky-  
kun!

is  
defined  
by the  
way you  
live,

Bare  
hands...

You're  
right...

Ahh...

Ky-  
kun.

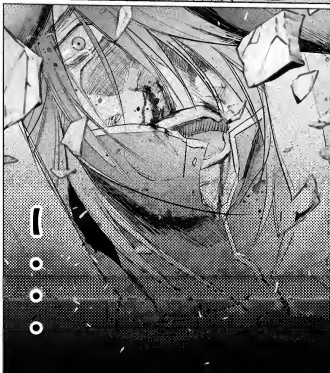

You  
were  
right...

Astra-  
kun...

I... didn't  
hate you...

Astra-  
kun!

We'll be  
friends  
forever!

!

Ky-kun.

Nah. Your  
drawing is  
a splendid  
talent!

I... think  
that I want  
to become  
manly like  
Astra-kun!

That's...  
It's the  
only skill I  
have...

I'm pretty  
envious of your  
drawing skills,  
Ky-kun...

Why did I  
forget about  
those feelings  
back then...

Once I get  
older and buy  
a house, I want  
to decorate it  
with Ky-kun's  
drawings...
